

HELP US SPONSOR A COMMUNITY RIVER FLOAT

Did you know that you can float the Portneuf in Pocatello? *Upstream (south) of the concrete channel the water is safe for floating AND swimming!*

NOW IMAGINE... *getting off work, grabbing your kayak or inner tube and getting into the Portneuf at Edson Fichter or Taysom Rotary Park for a leisurely float down to Centennial/Rainey Parks where food trucks, music, and prizes for creative floatation devices await.*

Join us in sponsoring the 2019 Floatin' the Portneuf. Help us get community members out on the Portneuf, without having to drive to Lava. The Portneuf River is in our backyard... let's use it!
